

How good is the course
Tap-Swipe-Pinch. Tablets changing the way to learn and teach'
2016-2017
www.euneoscourses.eu

Evaluation results of 74 participants of all sessions of school year 2016-2017.
The participants have been requested to fill in anonymously an online questionnaire at the end of the course.

Q5 Quality of the course programme in general

Q6 Quality of the trainers / organisers (skills, patience, personal support)

Q18 Give a mark for the in-service training activity as a whole (for content, training and methodology all together)
