How to find Sensara and how to enter?

You can look up Sensara, Benalmadena on Google maps.

Sensara is a closed community with a gate. It is a kind of park with apartment buildings and a central building with a restaurant. It is situated on the main road (A-368) from Benalmadena Pueblo to Arroyo de la Miel at a roundabout opposite a **galp** petrol station.

The course is held in the central building (Club house) with reception and restaurant. When you arrive by taxi or walking, you will have to ring the reception bell at the Sensara gate. The gate will be opened. You will have to tell them that you come for the Euneos course. Dial the number 10255 of the reception (conserjeria) and the key with icon of bell

Then go to the reception/ restaurant, up at the left (go left at first roundabout) and at the end take the stairs or lift to reception/ restaurant (on the left and right there are parking places). Reception is at the blue arrow.
