The following were the views of participants:

- All were fine
- Design IT workshop should be changed
- Include workshop about drones
- More school visits
- more educative contents should be shown about VR and AR

- VR workshop should be better prepared

**4. Please evaluate the following aspects of the course:**

**5. Anything else you would like to add as a comment, feedback or suggestion?**

The following were the views of participants:

- Prompt provision of Course materials.
- More practical using of apps.
- Moment in which participants share their own experience
- Some afternoon meetings to know other participants better will be useful.
- We need paper note books and pen
- You need to organize an international dinner.
